

Use of Timing/Scheduling Accommodations

For the 2010-2011 assessment, assessors were asked to define the scheduling of test administration. Assessors chose one of four options:

Timing/Scheduling Accommodations:

- A. This subject administered with breaks/multiple sessions
- B. This subject administered with NO breaks/one session
- C. Multiple-subject administration with breaks/multiple sessions
- D. Multiple-subject administration with NO breaks/one session

Choose all tests administered in one session: [checkboxes, allow one or all to be chosen]

"Breaks" means that the student was provided frequent breaks during testing.
 "Multiple sessions" means that the test was administered over several days.

Assessors employed timing and scheduling accommodations in the following amounts:

B	302	292	286	132
C	88	71	79	30
